Dear Stephen

Re: Company Reference

TO WHOM IT MAY CONCERN

We have known Barrett Electrical Contracts in a working capacity for the past seventeen years and have worked with them on numerous projects. We have found their workmanship to be of a very high standard both on site and in administration.

They are a highly motivated and industrious company taking the same pride in large and small projects alike.

We would have no hesitation in recommending them for any work in which you may be involved.

Should you have any further queries please do not hesitate to contact this office.

Yours sincerely

Niall O'Kane
